

# 2025 Ocean County Competition Riders Scrub Pine 100 Confirmation

Sunday, October 26, 2025

All classes are scored for loop 1 & loop 2. AA, 200A&B, 250A&B, 251+A&B, 30+A&B, 40+A&B, 45+A&B and 50+A&B will include loop 3. All "C" classes, 55+A&B, Masters, Golden Masters, Legends, Women, Dual Sport, Vintage, Sportsman, etc. and Team scores are concluded for the event at the end of loop 2.

A note about the course and the number of resets + pauses. To manage speeds on roads, we had 3 options:

1. Run the full event at low speed. Another club did that in BBSF 10+ years ago and it was not well received.
2. Change speeds when using roads. 30 or 40 separate speed changes would be needed. OR;
3. Use resets to reduce overall speeds on transfer roads and allow for more challenging riding in trails.

Despite the extra effort needed to lay out and program it this way, we felt it would make for a better event.

OCCR asks that you use caution on transfer roads and especially at road crossings and turns on pavement.

This is a public area. Riders need be mindful of other vehicle traffic. All gas availables are at the start area
